

School Active Travel Policy

The United Nations Convention on the Rights of the Child (UNCRC) is at the heart of our school's planning, policies, practice and ethos. As a rights-respecting school we not only teach about children's rights but also model rights and respect in all relationships. Our belief in "restorative approaches" ensures that every child is listened to.

Article 6: You have the right to life and to grow up to be healthy

Article 31: Your right to relax and play.

Article 19: You should not be harmed and should be looked after and kept safe.

At Ysgol Bro Tawe we encourage pupils and parents to travel to school by cycling, scooting and walking wherever possible. To help with this we are working with UK charity Sustrans to make sustainable and active travel easier for everyone.

This school travel policy explains how we will be encouraging active travel to school. We will discuss the policy with the pupils and re-visit it periodically to ensure its relevance. For pupils unable to come by foot or bike, we encourage the use of public transport or car-share.

If you have any ideas to improve things at or around school for pedestrians and cyclists, or questions about travelling to school, please get in touch with Miss Jemma Williams or your Sustrans Schools officer Roger Dutton

Roger.Dutton@Sustrans.org.uk

Some of the benefits of active travel:

- Improving both mental and physical health through physical activity
- Establishing positive active travel behaviour
- Promoting independence and improving safety awareness
- Reducing congestion, noise and pollution in the community
- Reducing the environmental impact of the journey to school.

To encourage pupils to cycle or scooter to school frequently the school will:

- Actively promote cycling and scooting as a positive way of travelling
- Celebrate the achievements of those who cycle and scooter to school
- Provide cycle and scooter storage on the school site
- Provide high quality cycle training to all pupils who wish to participate.

To make cycling and scooting to and from school a positive experience for everybody concerned, we expect our pupils to:

- Ride sensibly and safely and to follow the Highway Code
- Check that their bicycle or scooter is roadworthy and regularly maintained
- Behave in a manner which shows them and the school in the best possible light and to consider the needs of others when cycling or scooting
- Consider wearing a cycle helmet

- Ensure they can be seen by other road users, by using lights and wearing high-visibility clothing, as appropriate.

For the well-being of our pupils, we expect parents and carers to:

- Encourage their child to walk, cycle or scooter to school whenever possible
- Encourage their child to take up opportunities to develop their competence and confidence in cycling or scooting
- Consider cycling or scooting with their child on the school run; possibly joining with other families as a 'cycle train'
- Provide their child with equipment such as high-visibility clothing, lights, a lock and cycle helmet as appropriate
- Ensure that bicycles and scooters ridden to school are roadworthy and regularly maintained.

Please note: The decision as to whether a child is competent to cycle or scooter safely to and from school rests with the parent(s)/carer(s). The school has no liability for any consequences of that decision. Parents are advised to take out appropriate insurance cover for bikes (check home insurance) as the school's insurance does not cover any loss or damage to bicycles and scooters.
