YSGOL BRO TAWE ACCEPTABLE USE POLICY FOR INTERNET ACCESS

Dear Parents,

Please find overleaf the school's policy regarding the use of the Internet. Whilst I appreciate that the older children will access the Internet more frequently than those in the Infant Department, nevertheless, I must receive the consent of all parents before allowing the pupils to use the Internet facility. May I also assure you that our pupils are **never** allowed onto their computers without direct supervision of either the class teacher or one of our assistant teachers.

The policy itself is one that is recommended by the Education Department, County Hall, Llandrindod Wells.

Will you therefore sign the parent consent form overleaf and return it to school. Unless permission is granted by yourself, your son/daughter will not be able to access the Internet. I fully appreciate that our younger pupils may not understand the policy and therefore need not sign the pupil consent form. However, I will leave that decision to you.

If you require any further information please do not hesitate to contact the school. Thank you.
